Challney is an Outstanding school serving a very diverse range of young men. The quality of your provision enables a very high proportion of them to progress to this college for advanced level qualifications and then to university. Thank you for your very kind and supportive remarks about the range and quality of provision here and wonderful facilities in our new building. Your recognition that no school, however good, can match the range, quality and value for money of an outstanding sixth form college is highly valued.</i></p> <p><i>We fully support the proposal for Challney to move to change status to an 11-16 Academy. We greatly appreciate your commitment to continuing a close partnership with this college in the future to ensure that your students gain the maximum benefit from the opportunities this change of status affords. I hope that your application is successful and that the transition process to academy status is smooth."</i></p> <p>Mr S Choudhury, Challney High School for Boys and Community College, Data and ICT Manager <i>"As an ex pupil and a member of staff at Challney High School for Boys, I support the Governing body and Headteacher in seeking to convert to academy status"</i></p>
